Other Diffusers Sizing Form

Instructions for Specifying Product:

1. Remove existing lens from the light fixture.
2. Draw a basic picture of the part in the box below. Make sure to show all holes, hardware, notches, tabs, and all other unique details.
3. Measure the dimensions of the light cover to the nearest 1/16" of an inch. Write the dimensions of the part (width, length, opening size, etc.) on the drawing and fill-out the information at the bottom of this form.

Part Drawing #:_____
