

**Wraparound Diffuser Sizing Form**

**Instructions for Specifying Product:**

1. Remove existing lens from the light fixture.
2. Stand the lens up on one end and trace the part in the box below. If the part is wider or taller than this box, then tape two or more pieces of paper together.
3. Measure the dimensions of the light cover to the nearest 1/16" of an inch. Write the dimensions of the part (width, inside hook, etc.) on the sketched drawing and fill-out the information at the bottom of this form.

**Part Drawing #:** \_\_\_\_\_
